I, the legal guardian of the above named participant, grant permission for my child to participate in any and all Jubilee REACH programs and activities. I assume all risks and hazards incidental to such participation including, but not limited to, transportation to and from activities; and I do hereby waive, release, absorb, indemnify, and agree to hold harmless Jubilee REACH and all coaches, managers, organizers, sponsors, supervisors, participants, and persons transporting my child to and from activities, for any claim arising out of an injury to my child, whether the result of negligence or for any other cause. If my child or I become injured or ill while at the Jubilee REACH Center or during any Jubilee REACH program, I grant permission for Jubilee REACH staff and volunteers to administer minor first-aid and seek emergency assistance at such time as either parent or legal guardian cannot be contacted in person or by telephone. I give my consent to any x-ray, examination, anesthetic, medical or surgical diagnosis and treatment, dental care, and hospital care which is deemed advisable by and is to be rendered under the general or specific supervision of any physician and surgeon licensed under the provision of the Medical Practice Act on the medical staff of a licensed hospital, whether such diagnosis or treatment is rendered at the office of said physician or at said hospital. I give permission to authorized, licensed representation of Jubilee REACH to provide transportation in authorized vehicles for my child and me to participate in field trips, events, travel to the Jubilee REACH Center, to home, or to transport my child and me in the event of a weather or medical emergency. I also authorize the program staff to communicate with my child's school about my child's homework, assignments, progress, and concerns. I agree to indemnify, defend and hold Jubilee REACH harmless from any claims, causes of action, costs (including, without limitation, reasonable attorney's fees) and any other liabilities of any nature related to any property that is lost or damaged while participating in a Jubilee REACH program or event.

NON-DISCRIMINATION

Jubilee REACH complies with all federal laws, rules and regulations and does not discriminate on the basis of race, color, national origin, gender or disabilities in student education programs, co-curricular activities, or employment policies. The district is an equal opportunity/affirmative action employer encouraging application of qualified minorities, women and disabled persons for employment and other opportunities. Jubilee REACH is a drug free/smoke free workplace and educational setting. Please direct inquiries regarding compliance, grievance or appeal procedures to Jubilee REACH.

STUDENT DATA

The parties agree that Parent is primarily responsible for compliance with the Children's Online Privacy Protection Act (COPPA), the Family Educational Rights and Privacy Act of 1974 (FERPA), and other applicable laws and regulations regarding the dissemination of information regarding students (collectively, the "Privacy Laws"). Parent agrees to indemnify, defend and hold Jubilee REACH harmless from any claims, causes of action, costs (including, without limitation, reasonable attorney's fees) and any other liabilities of any nature related to Privacy Laws except where such claims, causes of action, costs and other liabilities arise from the acts or omissions of Jubilee REACH. For purposes of Parent meeting its obligations under the Privacy Laws Jubilee REACH agrees that it will employ reasonable protections to prevent unauthorized access to personally identifiable student information in Jubilee REACH's control. Jubilee REACH will not disclose personally identifiable information from education records to third parties without the prior consent of the Parent and the Parent or student, will use such information only for activities related to this Agreement, and will delete or destroy such information following termination of this Agreement or earlier if requested by Parent. Jubilee REACH may retain and use anonymous demographic and statistical data and information (not individually identifiable to the geographic area, school, city, the Parent or any individual) it collects pursuant to this Agreement to improve its Products or for any other purpose, but will comply with all applicable laws and regulations.

PHOTOGRAPHY / VIDEO RELEASE

From time to time, your child's school and the school District create videos and photographs of our participants and their school work or sports and activities in which they are involved. Occasionally, video and photographs of our participants, their class activities, sporting events, student work, and other student creations are used outside of the District and on District or Jubilee REACH websites. Examples of these uses are: to show the Bellevue community what we do in our programs; to include in media; to make presentations to other audiences; to use in a variety of other appropriate District-authorized purposes; or in collaboration with Club Jubilee and Jubilee REACH programming. Your child may be included in video or in photograph that could be used for such activities, but you have the option to withhold your permission. By signing below, you are giving permission to Club Jubilee and Bellevue School District to take and use your child's photograph or use video footage of you and your child and statements made by you and/or your child to be used for Jubilee REACH or Bellevue School District editorials, fundraising, advertising, and promotional purpose.
